May Change Cycle

The following updates/system changes have been made in May's change cycle:

1) Patient Registration – Correction to Specialists and Medical Home so updates save.
2) Client Eligibility – Correction for when a case is closed for "Residence established in another county" the case status is updated to closed.
3) Patient ID screen – Correction to program error when initiating an invalid search on the patient ID screen.
4) Send Correspondence – Correction so no error is received when a PSA is generated from the send correspondence function.
5) Face Sheet – Correction on page 2 of the hard copy face sheet so the header displays the new eligibility Med= and F/R=.
6) Correction to record ownership – Free busy patient is no longer a valid option for users. If the message displays "record busy" another user is in the case.
7) Pending Eligibility – The Program End date field is deactivated.
8) Insurance other coverage – Correction to display the header information on the insurance/other coverage screen.
9) Medical Report Request and Receive screens – Pick lists have been enhanced to display more address information.
10) Insurance other Coverage – The Medi-Cal number field has been updated to accept MEDS new format for the 14 digit county id.
